Inspired by the smash hits of Huey Lewis and The News, **THE HEART OF ROCK AND ROLL** follows a couple of twenty-somethings on the cusp of their futures—Bobby, a rock and roller who’s traded his guitar for the corporate ladder, and his boss Cassandra, who has always put the family business first. When they both get a second shot at their dreams, it will take “The Power of Love” and a little help from their friends to figure out what kind of life they really want.

Set in 1987, this new musical comedy is filled with Huey Lewis megahits, such as “Do You Believe in Love,” “Hip to Be Square” and “If This Is It.” It’s a joyous, clever, funny, heartfelt throwback to the era of big feelings, classic rom-coms, and music that really “Stuck With You.”

**“Squeeze your memories into spandex and get ready to turn back the clock.
A truly deranged hot pink version of the 1980s!”**
