Direct from London and Toronto with an award-winning creative team, including *Schitt's Creek* Emmy-winning writer David West Read, five-time Grammy-winning “Roar” songwriter and producer Max Martin, director Luke Sheppard and choreographer Jennifer Weber, this hilarious new musical flips the script on the greatest love story ever told—*Romeo and Juliet*—and asks the question: what would happen next if Juliet didn't end it all over Romeo?

Get carried away on an extraordinary journey as she discards her famous ending for a fresh beginning and a second chance at life and love—on her terms.

Juliet's new story bursts to life through a playlist of pop anthems as iconic as her name, including “Since U Been Gone,” “Roar,” “Baby One More Time,” “Larger Than Life,” “That's The Way It Is” and “Can't Stop the Feeling!”

Break free of the balcony scene and get into this romantic comedy that proves there's life after Romeo. The only thing tragic would be missing it!
